

INVITATION

Dear Colleagues,

We are pleased to invite you to join us for the 8th CARCON being held on 16th and 17th April 2020 at Indian Institute of Public Health Gandhinagar, Gujarat, India.

The two days of the scientific conference features Scientific Plenary sessions, Key note and academic presentation. The protruding guest speakers from around the world who shares a common interest and experiences for One Health and Rabies will join us. The vision, which is nothing less than to reshape the entire way we think about One Health approach towards elimination of Rabies to generate policy relevant discussions, bring out the best scientific material and deliver vibrant ideas for fostering efforts towards elimination of rabies.

Kindly block the dates 16th and 17th April 2020 on your calendar for this spectacular scientific feast.

IIPHG look onward to your valued presence in CARCON 2020. We anticipate to make this conference a kind of enormous achievement with all your sustenance and contribution.

ABOUT GANDHINAGAR

Gandhinagar is the capital state of Gujarat in India. The city sits on the banks of the Sabarmati river in north-central-east Gujarat.

How to reach here:

- **Sardar Vallabhbhai Patel International airport** located in Ahmedabad is 18 km away from Gandhinagar providing both domestic and international flights.
- **Gandhinagar Capital Railway Station (GNC)** is located in sector 14. Many trains running on the western zone pass through Gandhinagar connecting Jaipur, Bandra, Delhi and Indore.
- **Ahmedabad Railway Station (ADI)** in Kalupur, Ahmedabad is the nearest rail junction (25 km away) which provides connectivity with all the major cities and towns of India.

ABOUT THE INSTITUTE

Indian Institute of Public Health Gandhinagar (IIPH-G), established in 2008 by Public Health Foundation of India (PHFI) and the Government of Gujarat's joint initiative. The institute has been recognised as the first public health university in India, a (University formed under IIPH-G Act, 2015 of Gujarat State). IIPH-G has successfully been functioning as one of the nodal institutions for public health education, advocacy research and practice by providing quality public health training to graduates of diverse disciplines. Apart from conducting full time academic course, we also have been organizing several short term training/ workshop.
